I, Geo. S. Nickerson, of Eureka, County of Eureka, State of Nevada, hereby certify that the above map is a true and accurate plat of the Copenhagen Creek irrigation works, as taken from the field notes of a survey made by me on July 17, 18, 19 and 20, 1912, and at the instance of William H. Sweeney; that it represents the works described in Application No. 2054 together with the location of streams and ditches in the immediate vicinity.
Geo. S. Nickerson
Surveyor.
