
MAP AND DRAWINGS: Showing location of the spring at Currant Creek Ranger Station, appropriated by the United States of America, under application № 2136.

STATE OF NEVADA }
COUNTY OF WHITE PINE } ss

I, D.B. Bailey, being first duly sworn, certify that the above map is a true and accurate plat of the spring at Currant Creek Ranger Station, as taken from the field notes of a survey made by me on July 28, 1912; at the instance of the United States of America; that the map represents the spring and improvements thereto described in application № 2136, for the appropriation of water for domestic purposes. There are no other springs in the immediate vicinity.

D. B. Bailey, Surveyor.

Subscribed and sworn to before me, the 11th day of October 1913.
