Arthur E. Smith, being first duly sworn, deposes and says that the above map is a true and accurate plat of the milling and domestic works, as taken from the field notes of a survey made by me, completed on the 7th day of August, 1912; that such survey was made at the instance of A.S. Putney; that the map represents the works described in application No. 2177 together with the location of streams and ditches in the immediate vicinity
