B.G. McBride, being first duly sworn, deposes and says that the above map is a true and accurate plat of the irrigation works, as taken from the field notes of a survey made by me completed on the 12th day of May, 1913; that such survey was made at the instance of J.E. Fraiser, that the map represents the works described in application No. 2412, together with the location of streams and ditches in the immediate vicinity.

B. G. McBride Surveyor.
