J.G. Huntington, being first duly sworn, deposes and says that the above map is a true and accurate plat of the WILLOW SPRINGS water works, as taken from the field notes of a survey made by me, completed May 30th 1912. The general course of the pipe line from point of diversion to the Town of Seven Troughs is from data furnished by claimants; that such survey was made at the instance of G.W. Warmoth and J.J. Wilson; that the map represents the works described in application No. 2431 together with the location of streams and ditches in the immediate vicinity
