I John H. Wattson, being first duly sworn, deposes and says that the above map is a true and accurate plat of the lands to be irrigated by Millick Springs, as taken from the field notes of a survey made by me and completed on the 17th day of October, 1912.

That the map and survey were made at the instance of Charles Ernest Millick, owner of said lands, and that it truly represents the lands proposed to be irrigated by said Millick Springs.
