F.R Jacoby, being first duly sworn, deposes and says that the above map is a true and accurate plat of the irrigation works, as taken from the field notes of a survey made by me completed on the 15 day of May 1916; That such survey was made at the instance of J. L. Parker; That the map represents the works described in Application No. 2986, together with the location of streams and ditches in the immediate vicinity.

F. R. Jacoby Surveyor
