I, J. A. Millar, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 17th day of October and the 19th day of October 1962; that it truly and correctly represents the proposed location and extent of the works used to divert water from An Underground Source, in Douglas County, Nevada, by Henry Dreyer, for irrigation and domestic purposes. That the proposed point of diversion, the location of the ditches, and the boundary of all lands, showing by forty acre subdivisions, the areas proposed to be irrigated are fully and correctly designated thereon.

J. A. Millar
State Water Right Surveyor.

Subscribed and sworn to before me this 5th day of November, 1962.
