I, J.V. Caselli, being first duly sworn, depose and say that this map consisting of 1 sheet, numbered from 1 to 0, inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me between the 24 day of April, and the 25 day of April, 1964, that it truly and correctly represents the proposed location and extent of the works used to divert water from Underground Source, in Nye County, by Vern V. Cyr, for irrigation purposes. That all other works crossed or connected with said works, and the boundary, area, and kind of culture of land irrigated, are correctly shown & designated thereon.
