

Basis of Bearings.
The south line of section 2 established by independent resurvey of Township 19 South Range 56 East, Mt. Diablo Base & Meridian and shown on the plat accepted by the General Land Office, Department of the Interior January 25, 1939.

STATE OF NEVADA
COUNTY OF CLARK ----} SS.

I, James L. Hogan, being first duly sworn deposes and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the dates of the 3rd day of October, 1970 and the 14th day of October 1970 and verified by resurvey on December 5 and 6, 1970, that it truly and correctly represents the proposed location and extent of the work to be used to divert water from an unnamed spring in Clark County by James L Hogan, President of the Camp Lady of the Snow Mutual Water and Improvement Association of the Camp Lady of the Snow Subdivision in Lees Canyon - Mt. Charleston Area. The water to be used by all owners, lessees or renters of the Camp Lady of the Snow subdivision for their domestic use. The use will be for quasi-municipal purposes and recreational purposes, that the proposed point of diversion, storage tank and pipeline and the boundary of all lands shown by heavy dashed lines where water will be used are fully and correctly designated thereon.

James L Hogan
Est. Water Rights Surveyor #267

Subscribed and sworn before me this [illegible] day of December, 19[illegible]

[illegible]

Scale: 1 inch = 300 feet
