STATE OF NEVADA
County of White Pine } ss.

I, Henry C. Conrad, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction between the 16th day of August, 1966 and the 18th day of August, 1966, that it truly and correctly represents the proposed location and extent of the works used to divert water from underground source in White Pine County by C.E. Knowles and Ralph Darling for industrial and domestic purposes. That the proposed point of diversion and return, the location of the points of use, the approximate size and capacity of the diverting conduit, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon.

Henry C. Conrad
State Water Right Surveyor

Subscribed and sworn to before me this 21TH day of September, 1971.
