I, Wayne M. Hink, being first duly sworn, depose and say that this map, consisting of one sheet, is correctly drawn to the designated scale from field notes of a survey made by me on the 8th day of June, 1971, that it truly represents the location and extent of the works used to divert water from the Las Vegas Artesian Basin by Josephine Juliano for Quasi-Municipal-Subdivision Use and that the boundaries of the lands embodied in the tract owned by the applicant and upon which it is proposed to use the water applied for are fully and correctly designated thereon.
