I, William J. Johnstone being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 28th day of December, 1971, that it correctly represents the location and the extent of the proposed works to divert water from an underground source in Carson City for Concrete and Asphalt Plants by James C. and Sharon I. Bird, that the point of Diversion, the place and manner of use are fully designated hereon.
