
STATE OF NEVADA
COUNTY OF DOUGLAS
I, Robert C. Downer, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn from field notes of a survey made by me on Sept. 20, 1972, that it truly and correctly represents the location and extent of the works used to divert water from Well No. 27193, in Douglas County, by Richard L. Bilyeu & Art Storrs for Quasi-Municipal purposes. That the proposed point of diversion, and the boundary of all land, shown by 40 acre subdivisions, where water from the well will be supplied for quasi-municipal use, are fully and correctly designated hereon.
