APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all existing rights on the source. It is understood that the 0.0022 c.f.s, herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to a beneficial use. A suitable measuring device must be installed and accurate measurements of the water placed to a beneficial use must be included in the proof of such use when filed. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.0022 cubic feet per second but not to exceed 0.519 m.g. annually.

Actual construction work shall begin on or before August 4, 1971  
 Proof of commencement of work shall be filed before September 4, 1971  
 Work must be prosecuted with reasonable diligence and be completed on or before August 4, 1972  
 Proof of completion of work shall be filed before September 4, 1972  
 Application of water to beneficial use shall be made on or before August 4, 1974  
 Proof of the application of water to beneficial use shall be filed on or before September 4, 1974  
 Map in support of proof of beneficial use shall be filed on or before

Commencement of work filed... FEB 12 1971  
 Completion of work filed... SEP 5 1972  
 Proof of beneficial use filed... JUL 20 1976
