I, Ralph L. Kraemer, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction on the 14th day of October, 1975. That it truly and correctly represents the proposed Point of Diversion used to divert water from the Las Vegas Artesian Basin in Clark County to Edmon Haddad and Penny G. Haddad for irrigation and domestic use and that the boundaries of the lands embodied in the tract owned or controlled by the applicants and upon which it is proposed to use the water applied for, are fully and correctly designated thereon
