R U L I N G

General:

Application No. 18029 was filed to appropriate the waters for irrigation of 320 acres of public domain in the E½, Section 5, T. 17 S., R. 49 E., M.D.B.&M. On August 9, 1960, we were notified by the Bureau of Land Management, Reno, Nevada, that the applicant has not filed a land application in conjunction with her water application. As of the date of this ruling, the applicant does not have control of the land on which she plans to place the water to beneficial use.

RULING

Application No. 18029 is hereby denied on grounds that the applicant does not have control of the land on which she plans to place the water to beneficial use and that its granting would be detrimental to the public welfare.

Respectfully submitted,
