COUNTY OF WASHOE ss

I, Eugene B. Langfield, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale, from a survey made by me on the 20th day of January, 1976; that it truly represents the location and extent of the works used to divert water from an underground source in Washoe County by Benjamin J. and Connie R. Pascus for irrigation and domestic purposes; that the point of diversion and the boundary of the land to be served are fully and correctly designated thereon.
