R.E. Tilden, being first duly sworn, deposes and says that the above map is a true and accurate plat of the Buckley irrigation project, as taken from the field notes of a survey made by me, and notes taken afterwards by James Buckley. Survey made and completed on July 28th 1914. That such survey and map was made at the instance of James Buckley; that the map represents the works described in application No. 3046, together with the location of streams and ditches in the immediate vicinity.
