I, J. C. Kennedy, being first duly sworn, depose and say that the above map is a true and accurate plat of the irrigation works, as taken from the field notes of a survey made by me, completed on the 1st day of April, 1915; that such survey was made at the instance of L. D. Porter; that the map represents the works described in Application No. 3351, together with the location of streams and ditches in the immediate vicinity.
