
STATE OF NEVADA

County of White Pine-------SS.

I, G. S. Quate, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 16th day of danuary 1928; that it truly and correctly represents the location and extent of the works used to divert water from Coyote Springs in White Pine County, by Alfred Bellander for Stockwatering Purposes; that the point of diversion, the location and size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by or connected with the said works, are fully and correctly designated thereon.

G. S. Quate
State Water Right Surveyor

Subscribed and sworn to before me this 2nd day of March 1928.

My commission expires Aug 16 1929
