County of Humboldt }

I, H.H. Sheldon, being first duly sworn, depose and say that this map consisting of two sheets, has been correctly drawn to the designated scale from field notes of a survey made by me between the 7th of August, 1922 and Oct 12, 1932; that it truly and correctly represents the location and extent of the works used to divert water from Big Cedar Creek in Humboldt County, by F.C. Hummel and Pearl Hummel for irrigation purposes under Application No 7050. That the point of diversion, the location and size of the diverting channel, the location and extent of lands owned or controlled by the applicant upon which water applied for under Application No 7050 is used, together with the area and kind of culture in each 40 acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated thereon.

State Water Right Surveyor
