APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all existing rights on the source. It is understood that the 0.0134 c.f.s., herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to a beneficial use. A suitable measuring device must be installed and accurate measurements of the water placed to beneficial use must be included in the proof of such use when filed. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.0134 cubic feet per second, but not to exceed 2.19 m.g. annually.

Actual construction work shall begin on or before September 21, 1972
Proof of commencement of work shall be filed before October 21, 1972
Work must be prosecuted with reasonable diligence and be completed on or before September 21, 1973
Proof of completion of work shall be filed before October 21, 1973
Application of water to beneficial use shall be made on or before September 21, 1975
Proof of the application of water to beneficial use shall be filed on or before October 21, 1975
Map in support of proof of beneficial use shall be filed on or before.....

Commencement of work filed NOV 3 1972
Completion of work filed SEP 19 1973
Proof of beneficial use filed.....
Cultural map filed.....
