I John C Nelson Being duly sworn depose and say that this Map consisting of one sheet has been correctly drawn to the designated scale from field notes of a Survey made under my supervision and direction on the 17th of January 1983. That it truly and correctly represents the location and extent of the works used to divert water from an underground source in the Dayton Valley Basin in Lyon County, Nevada by Stockes Ranches Ltd, El Dorado Investment Corp.; and or Fern E Herrmann for irrigation and domestic purposes under permit No 30003, Certificate No. 9150, that the existing point of diversion under permit No 30003 Certificate No. 9150 is correctly shown hereon, that the existing place of use relinquished on this map and the proposed place of use as shown on this map to change the point of diversion and place of use of a portion of the water are correctly designated hereon and that the lands upon which water appropriated under permit No. 30003 Certificate No. 9150 are to be used are accurately outlined hereon and said lands are owned or controlled by the applicant.
