STATE OF NEVADA
COUNTY OF EIKO

I, STEVEN D. JOHNSON, Being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made by me, between Feb. 15 and Feb 30, 1976; that it truly and correctly represents the location and extent of the works used to divert water from PENROD CREEK in EIKO COUNTY by RAYMOND and TONI MENDIVE. For irrigation purposes under application to change point of diversion, manner of use, and place of use, of Certificate of Appropriation, Application № 4474. That the point of diversion, the location, size of the diverting channel, and the location and extent of lands owned or controlled by the applicant upon which water permitted under application № 4474 is to be used. Together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.
