
STATE OF NEVADA
COUNTY OF WASHOE } SS

I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 5th. day of April, 1977; that it truly and correctly represents the original point of diversion and place of use under Permit No. 26856, and the proposed and actual point of diversion and place of use and extent of the works used to divert water from an underground source in Washoe County, Nevada, by Joseph W. Fitts for Irrigation and Domestic Purposes; that the proposed point of diversion, the location, size of the diverting channel, and the location and extent of lands owned by the applicant upon which water applied for under Application No. 26856 is used, together with the area and kind of culture on each 40-acre subdivision, and the location and names of all other works or streams which cross or connect with said works are fully and correctly designated thereon.

State Water Right Surveyor No. 273

Subscribed and sworn to before me this 6th. day of May, 1977.
