I, Robert W. Millard, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 14th. and 16th. days of June, 1953; that it truly and correctly represents the proposed location and extent of the works used to divert water from UNDERGROUND SOURCE in White Pine County by CLIFFORD PEACOCK for irrigation purposes under application No. 12883. That the point of diversion, the location, size and grades of the diverting channel, location and description of all measuring devices, the location and extent of the lands owned or controlled by the applicant upon which water applied for under application No. 12883 is used, together with the area and kind of culture in each 40-acre sub-division, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.

R. W. Millard
State Water Right Surveyor.

Subscribed and sworn to before me this 6th. day of July, 1953.

F. W. Millard
