I, W. H. Settelmeyer, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 19th day of September, 1955; that it truly and correctly represents the location and extent of the works used to divert water from and underground source in Lander County, by Fred Rufli, for Irrigation and domestic purposes; under Application No. 13681. That the point diversion, the location, size and grades of the diverting channel, location and extent of lands owned or controlled by the applicant upon which water ■ applied for under application No. 13681, is used, together with the area and kind of culture in each 40 acre subdivision and the location and names of all works and streams which are crossed by or connected with said works are fully and correctly designated thereon.
