I, W.H. Settelmeyer, being first duly sworn depose and say that this map consisting of one sheet, has been correct drawn to the designated scale from field notes of a survey made by me on the 13th day of November 1958; that it truly and correctly represents the location and extent of the works used to divert water from an underground source, (Well No. 4), in Elko County by Frank L. Coffey for irrigation purposes under application No. 13927. That the point of diversion, the location and size and grades of the diverting channel, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under application No. 13927 is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or or connected with said works are fully and correctly designated thereon.

W.H. Settelmeyer
State Water Right Surveyor

Subscribed and sworn to before me this 28th day of November 1958 Esther C. Barnes
Notary Public in and for Elko, County, Nevada.

Scale 1" = 500'
