

STATE OF NEVADA
COUNTY OF HUMBOLDT } S.S.

I, Richard M. Black, being first duly sworn depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me between the 15th day of December and the 20th day of December 1958, that it truly and correctly represents the location and extent of the works used to divert water from underground in Humbolt County, by Ralph A. McClintick and Wilma D. McClintick for irrigation and domestic purpose under Application No. 14725 that the point of diversion, the location, size and grades of the diverting channel, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under Application No. 14725 is used, together with the area and kind of culture in each 40-acre sub-division and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.
