I, Jack K. Leavitt, being first duly sworn, depose and say that this map, consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction on the 31st day of October, 1963; that it truly and correctly represents the location and extent of the works used to divert water from an underground source in Clark County, Nevada by F. H. Godfrey for Irrigation and domestic purposes under application number 18437 and the point of diversion applied for under application to change point of diversion are both correctly designated hereon. The location, size of the diverting channel, location and description of all measuring devices; the location and extent of lands owned or controlled by the applicant upon which water, applied for under application number 18437, is used and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.

Jack K. Leavitt
State Water Right Surveyor

Subscribed and Sworn before me this 5th day of November 1963.
