I, William A. Nisbet, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction on the 30 th. day of April, 1979; that it truly and correctly represents the proposed locations and extent of the works used to divert water from UNDERGROUND SOURCES in LANDER COUNTY, by MILCHEM INC. for MINING & MILLING PURPOSES. That the proposed points of diversion, the approximate locations and sizes of the diverting channels; the place and manner of use, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated thereon.
