

STATE OF NEVADA
County of Carson City SS

I, William A. Reinken, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made by me on the 5th day of June, 1980 that it truly and correctly represents the location and the extent of works used to divert water from an underground source in White Pine County, by Celeste S. Barron for irrigation and domestic purposes. That the proposed point of diversion an all works associated, the boundary of all lands, showing by 40-acre subdivisions the areas to be irrigated are correctly designated thereon.

William A. Reinken
State Water Right Surveyor

Suscribed and sworn to before me this 23 day of June, 1980.
