I W.G. Dixon being first duly sworn deposed and say that the above map is a true and accurate plat of springs and lands irrigated by G.K. Collins as taken from the field notes of a survey made by me, completed on the 11th day of December 1918

The map and survey were made at the instance of G.K. Collins applicant for said springs and that it represents the location of the springs and places where the water from said spring is being used

Subscribed and sworn to before me this day of December 1918
