ENGINEER'S AFFIDAVIT

State of Nevada)
County of Clark) SS

I, Robert H. Cardill, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me (or under my supervision and direction) between the 17th day of April, and the 22nd day of April, 1962; that it truly and correctly represents the proposed location and extent of the works used to divert water from springs in Clark County, by Al Levinson, for domestic and irrigation purposes. That the point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

Robert H. Cardill
State Water Right Surveyor Nº 272
