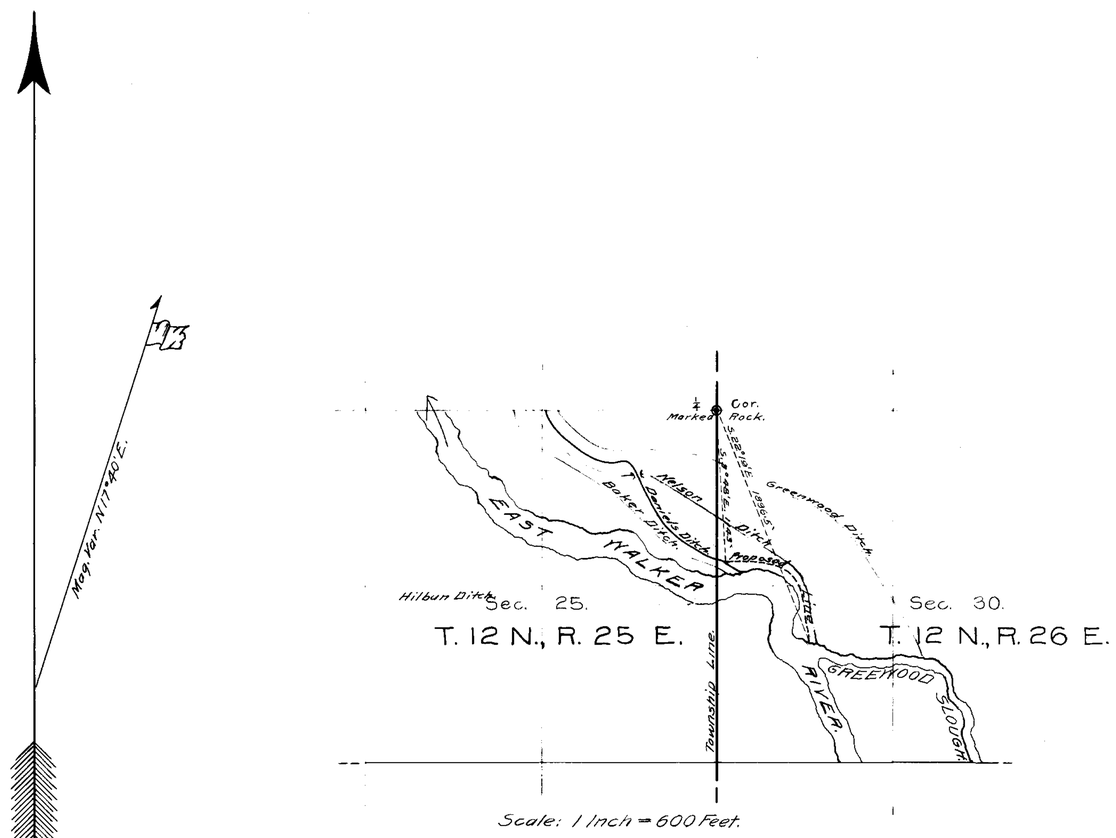
I, Wm. W. Coleman, being first duly sworn, depose and say, that the map herewith is a true and accurate plat of the proposed change in the line and the point of diversion of the Daniels Ditch as taken from the field notes of a survey made by me completed the 20th day of September, 1917; that the map and survey were made at the instance of Frank Mathews, President of the Daniels Ditch Company, Inc., and that it truly represents the proposed change in the line and change in the point of diversion.

Subscribed and sworn to before me this 22 day of October, 1917.

Notary Public, in and for County of Lyon, State of Nevada.



Note.
The change in the line and the point of diversion of the Daniels Ditch will not conflict with any other vested or non-vested rights to the waters of the East Walker River or will it injure any present ditches.
The grade is 0.00097 per foot.
