I, David M. Boyer, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from notes made by me or under my direct supervision on July 17, 1980; that it truly and correctly represents the location and extent of works used to divert water from underground sources in Washoe County, Nevada, by Niilo Hyytinen for domestic and commercial purposes. That the points of diversion, the place and manner of use are subdivided by 40 acre subdivisions and are fully and correctly designated thereon.
