STATE OF NEVADA,
SS
COUNTY OF CLARK

I, Nolan D Mitchell, being first duly sworn, depose and say that this map, consisting of 1 sheet has been correctly drawn to the designated scale from field notes of a survey made by me, (or under my supervision and direction), between the 18th day of March and the 30th day of March 1967, that it truly and correctly represents the proposed location and extent of the works used to divert water from THE CITY OF LAS VEGAS WASTE WATER TREATMENT PLANT in CLARK County by THE CITY OF LAS VEGAS.

a) for irrigation purposes under Application No 21014 That the point of diversion, the location, size of the diverting channel, location and description of all measuring devices, the location and extent of lands owned or controlled by the Applicant, and other lands affected under secondary rights, upon which water Applied for under Application No 21014 is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon, and.

b) for power and mining purposes as a secondary right That all other Works or Streams which are crossed by, or connected with, said Works, the profile and cross-sections of the diverting channels and conduits are correctly shown and designated hereon.

Nolan D Mitchell
