I, Eugene B. Langfield, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction on the 9th day of September, 1981, that it truly and correctly represents the location and extent of the works used to divert water from an underground source in Washoe County, by Walter and Agatha Burch, for irrigation and domestic purposes. That the points of diversion and boundary of all lands, totaling by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

Eugene B. Langfield
State Water Right Surveyor

Subscribed and sworn to before me this 22nd day of September, 1981
