I, Robert J. McNutt, being first duly sworn, do depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision on October 26, 1982; that it truly and correctly represents the locations and extent of the works used to divert water from an underground source in Clark County, Nevada by Gene Maday for quasi-municipal and domestic use.

Robert J. McNutt
State Certificate No. 418

Subscribed and sworn to before me this 24th day of November, 1982
