
State of Nevada,
County of Lincoln } ss.

I Paul Gammill, being first duly sworn, depose and say that this map, consisting of 1 sheets, numbered from 1 to inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me, (or under my supervision and direction), between the 11 day of March 1963 and the 28th day of March 1963; that it truly and correctly represents the proposed location and extent of the works used to divert water from Ash Springs Channel (Source)

in Lincoln County by: Leland M. Nelson and Gertrude Nelson (Applicant)

That it shows a proposed change in point of diversion and place of use

for irrigation purposes under Application No. Proof No. 01394. That the point of diversion, the location, size of the diverting channel, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water is to be used under Application No. 01394 is used, together with the area and kind of culture in each 40-acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.

Paul Gammill
(State Water Right Surveyor)
