
State of Nevada
County of Carson City } s.s.

I, John E. Curran being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made by me on August 1, 1980; that it truly and correctly represents the location and extent of the works used to divert water from an Underground Source in Pershing County by Douglas Vernon Brooks for Irrigation purposes under Application No. 27629. That the Point of Diversion, the location and size of the diverting pipelines, location and description of all measuring devices, the location and extent of lands owned by the applicant upon which water applied for under Application No. 27,629 is used, together with the area and kind of culture in each 40 Acre subdivision, and the location and names of all other works or streams which are crossed or connected with said works are fully and correctly designated thereon.
