I, Robert J. McNutt, being first duly sworn, do depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision on Sept. 17, 1983; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Clark County, Nevada by Arvid L. Bessent and Jay N. Smith for quasi-municipal and domestic use.
