I, Richard W. Arden, being first duly sworn, depose and say that this map, consisting of 1 sheet, has been correctly drawn to the designated scale from field notes of a survey made by me, or under my direct supervision and direction, between the 27th day of March and the 5th day of April 1985; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source, in Washoe County, by the Southern Pacific Land Co. for quasi-municipal and domestic purposes. That the proposed point of diversion, the location of the place of use, the approximate size and capacity of the diverting conduit, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon.

Richard W. Arden
State Water Right Surveyor No. 307

Subscribed and sworn to before me this 5th day of April, 1985.
