C. E. DeAmond, being first duly sworn, deposes and says that the above map is a true and accurate plat of the proposed Goicoechea Irrigation works, as taken from the field notes of a survey made by me (or under my supervision and direction) completed on the 18th day of June 1918; that such survey was made at the instance of Fernando Goicoechea; that the map represents the works described in applications Nos. 5117-5118, together with the location of streams and ditches in the immediate vicinity.
