I T.K. Stewart, being first duly sworn, depose and say that the above map is a true and accurate plot of the lands irrigated by C.J. Fairchilds, as taken from the field notes of a survey made by me on march 25 1919, that such survey was made at the instance of C.J. Fairchild, that the map represents the works described in Application No 5349, together with the location of streams and ditches in the immediate vicinity

T.K. Stewart

Subscribed and sworn to befor me this the 1st day of June, 1920.
