I, Eugene B. Longfield, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from the field notes of a survey made by me on the 24th day of June, 1986; that it truly and correctly represents the location and extent of the works used to divert water from an underground source in Washoe County by Clifford and Olive Webber for quasi-municipal and domestic purposes.
