I, Charles L. Thomsen, being first duly sworn, depose and say that site inspections have been made by me, between September 2, 1997 and September 15, 1997 the location of each reference monument has been verified by site inspection; that this map, consisting of one sheet, has been correctly drawn to the designated scale from surveying calculation notes prepared by me, relying upon analysis of recorded survey documents in the office of the Nye County Recorder; that this map truly and correctly represents the proposed location and extent of the works used to divert water from underground, in Nye County Nevada, by Fred B. Cressler & Cathy A. Holland for irrigation and domestic purposes under Permit No.: 57700, That the point of diversion, the location, size of the diverting channel or other conduit, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied under Permit No.: 57700 is used, together with the area and kind of culture in each 40 acre subdivision, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.
