(To Accompany Application to Appropriate Water for Irrigation Purposes)

STATE OF NEVADA
COUNTY OF NYE } S.S.

I, Rick Hansen being first duly sworn depose and say that this map, consisting of 1 sheet, numbered from 1 to 1 inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me (or under my supervision and direction), between the day of 7, and the 25 day of June, 1990, that truly and correctly represents the proposed location and extent of the works to divert water from underground in Nye County, by Frank T. Gardiner for irrigation purposes.

That the proposed point of diversion and return, the location of the place of use, the approximate size and capacity of the diverting channel or conduit, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon. Rick Hansen
