(To Accompany Application to Appropriate Water for Irrigation Purposes)

STATE OF NEVADA
COUNTY OF NYE } S.S.

I, Rick Haverstrite, being first duly sworn deposes and say that the map, consisting of 1 sheet, numbered from 1 to 1 inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me (or under my supervision and direction) between the three days, and the 25th day of June, 1990 that truly and correctly represents the proposed location and extent of the works to divert water from underground in the County, by Mary Gardiner, for irrigation purposes.

That the proposed point of diversion and nature, the location of the place of use, the approximate area and capacity of the diverting channel or conduit and the location and storage of all other works or streams which are adjacent to or connected with said works, are truly and correctly designated thereon.
